1.5 Add visit

The screenshot shows the PetClinic application interface. At the top, there is a navigation bar with links for Home, Find owners, Veterinarians, and Error. The main content area is titled "Owner Information" and displays details for an owner named Wei Liu, residing at 3580 Avenue Lorme in Montreal, with a telephone number of 5149999999. Below this is a section titled "Pets and Visits". The first part of "Pets and Visits" lists a pet named Happy with birth date 2019-12-12 and type dog. The second part lists a pet named Lucky with birth date 2018-12-31 and type bird. A red arrow points to the "Add Visit" button in the Happy row.

The screenshot shows the "New Visit" form. It includes fields for selecting a pet (Happy), entering a visit date (2020/01/01), and providing a description (something wrong with stomach). A red arrow points to the "Add Visit" button at the bottom of the form. Below the form, there is a "Previous Visits" section which is currently empty.

Chapter 2 CloudStore

2.1 Show products by subject

The screenshot shows a web browser window for the TPC-W CloudCommerce Benchmark. The title bar reads "TPC-W" and the address bar shows "localhost:8080/cloudstore/". The page features the "CloudScale" logo with an AWS icon. Navigation links include "Search", "Shopping cart", and "Order list". The main content area displays the title "TPC Web Commerce Benchmark (TPC-W)" in large, bold, black font. Below the title are five book covers: "Learning Python", "Introduction to Machine Learning with Python", and three editions of "Deep Learning". A red arrow points from the left margin to the "COMPUTERS" category under the "What's new" section. The "What's new" and "Best sellers" sections both list categories in two columns.

What's new		Best sellers

3.3 Category

3.3.1 Add new category

A screenshot of a web browser window titled "WallRide". The URL is "localhost:8080/wallride/_admin/en/categories/index". A modal dialog box titled "Add New Category" is open. The dialog contains fields for "Select Parent Category" (with "Country" selected), "Category Name" (input field containing "Country"), and a description area with the text "The term country refers to a political state or nation or its territory.". At the bottom right of the dialog are "Cancel" and "Save" buttons. Red arrows point to the "Save" button and the "Add New Category" button in the top right corner of the dialog.

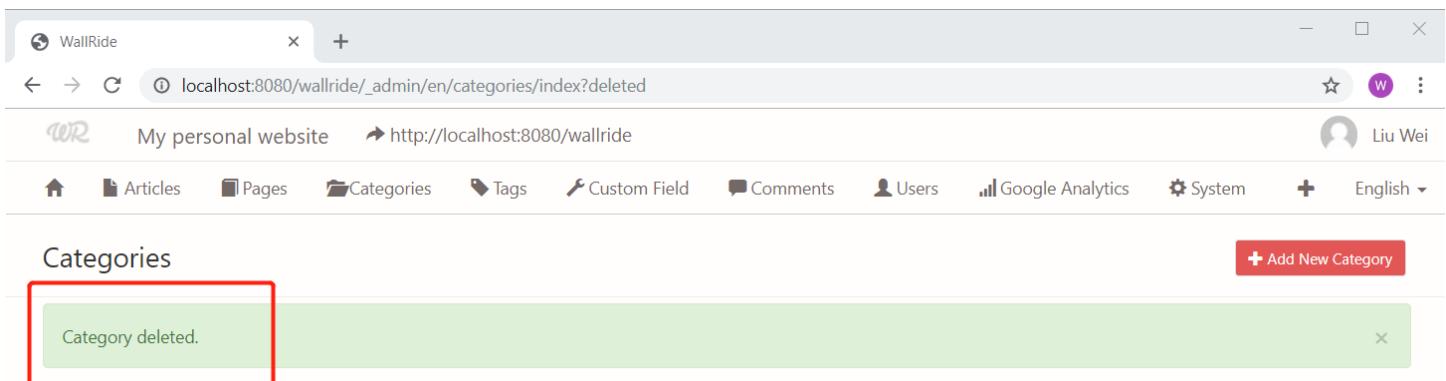

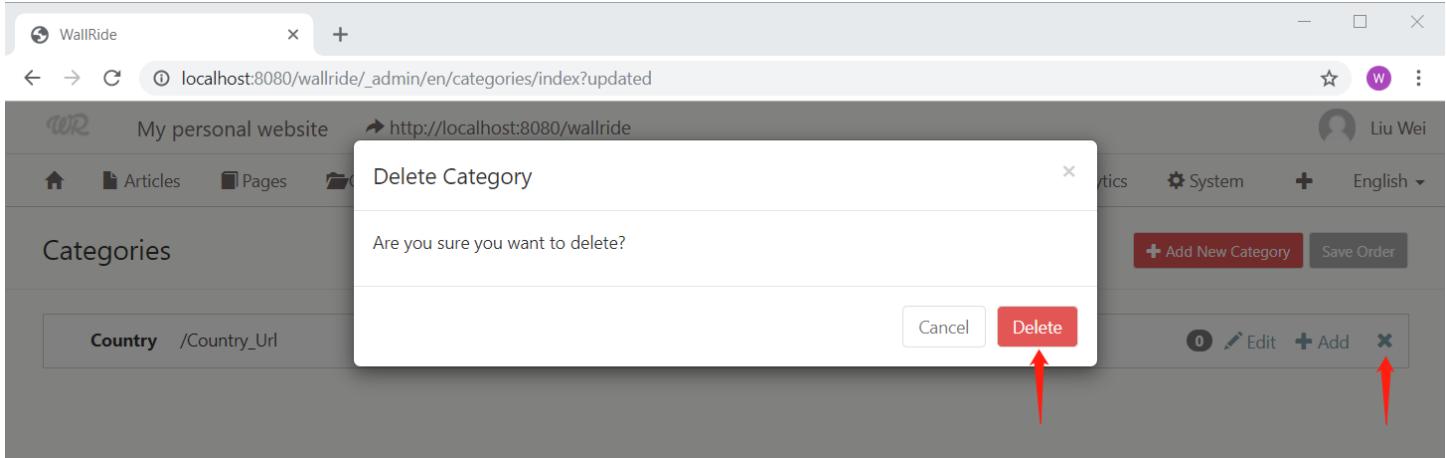

The screenshot shows the WallRide admin dashboard. At the top, there's a header with the site name "My personal website" and the URL "http://localhost:8080/wallride". Below the header, a navigation bar includes links for Home, Articles, Pages, Categories (which is highlighted), Tags, Custom Field, Comments, Users, Google Analytics, System, and a language switch to English. On the right, a user profile for "Liu Wei" is shown. The main content area is titled "Categories" and displays a green success message box containing "Category saved.". Below this, a list item "Country /Country" is shown with edit, add, and delete icons. A red box highlights the success message.

3.3.2 Edit category

This screenshot shows the "Edit Category" dialog box over the main categories list. The dialog has fields for "Select Parent Category" (set to "Country"), a URL input field containing "http://localhost:8080/wallride/category/ [Country.Url]", and a description area stating "The term country refers to a political state or nation or its territory.". At the bottom are "Cancel" and "Save" buttons, with a red arrow pointing to the "Save" button. The background shows the same "Category saved." message from the previous screen.

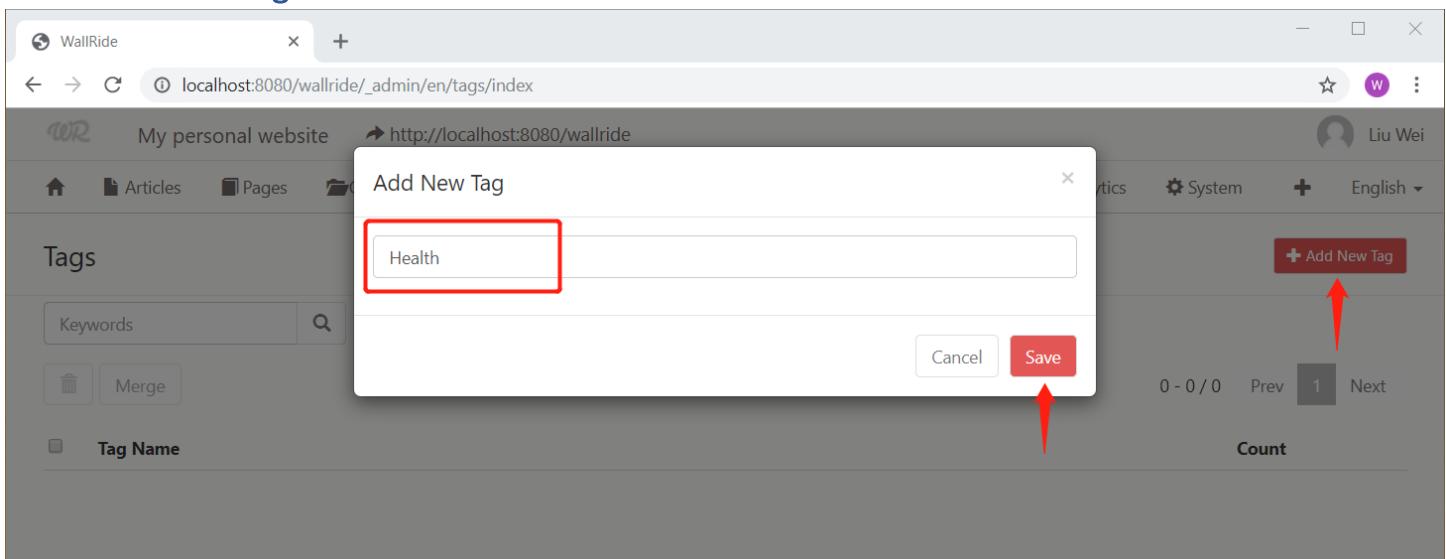

The final screenshot shows the "Categories" list again. The newly created category "Country /Country.Url" is now listed with its URL path highlighted by a red box. The edit, add, and delete icons are visible next to the category name. The overall layout is consistent with the first screenshot, showing the updated state of the database.

3.3.3 Delete category

3.4 Tag

3.4.1 Add new tag

The screenshot shows the WallRide admin interface at localhost:8080/wallride/_admin/en/tags/index. A green success message box says "Tag saved." A red box highlights the message and the search bar. The main table lists two tags: "Tag Name" (Health) with a count of 0 and an "Edit" button.

Tag Name	Count	Action
Health	0	Edit

3.4.2 Edit tag

The screenshot shows the WallRide admin interface at localhost:8080/wallride/_admin/en/tags/index. An "Edit Tag" dialog is open, showing the tag name "Public health" in a red box. A red arrow points to the "Save" button. Another red arrow points to the "Edit" button in the main table row for "Health".

Tag Name	Count	Action
Health	0	Edit

The screenshot shows the 'Tags' section of the WallRide admin interface. A green success message box at the top left says 'Tag saved.'. Below it is a search bar with 'Keywords' and a magnifying glass icon. To the right are 'Merge' and 'Delete' buttons. The main table has columns for 'Tag Name' and 'Count'. A single row for 'Public health' is shown with a count of 0 and an 'Edit' button. The entire 'Tags' section is highlighted with a red border.

3.4.3 Delete tag

The screenshot shows the 'Tags' section with a 'Delete Article' confirmation dialog overlaid. The dialog asks 'Are you sure you want to delete?' with a checked 'Confirm' checkbox. It has 'Cancel' and 'Delete' buttons, with a red arrow pointing to the 'Delete' button. On the left, there's a 'Merge' button with a red arrow pointing to it. The 'Tags' table below shows rows for 'Tag Name' and 'Public health', both with checked checkboxes. The entire 'Tags' section is highlighted with a red border.

3.6 Article

3.6.1 Add new article

The screenshot shows the 'Add New Article' page in the WallRide admin interface. The left side features a rich text editor with a toolbar and a preview area showing the word 'Canada'. The right side contains various configuration fields:

- Publish Date:** A date/time input field.
- Categories:** A checkbox labeled 'Country' and a link to '+ Add New Category'.
- Tags:** A list containing 'Culture'.
- Related Posts:** An empty input field.
- SEO:** Fields for 'Title' and 'Description'.
- Keywords:** An empty input field.
- Author:** A field containing 'Wei Liu'.

At the top right of the page, there are three buttons: 'Preview', 'Save Draft', and a prominent red 'Publish' button. A red arrow points upwards towards the 'Publish' button.

The screenshot shows the WallRide administration interface. At the top, there's a header with a logo, the URL 'localhost:8080/wallride/_admin/en/articles/describe?id=3', and user information for 'Liu Wei'. Below the header is a navigation bar with links for Home, Articles, Pages, Categories, Tags, Custom Field, Comments, Users, Google Analytics, System, and a language switch to English. The main content area has a title 'Canada: Introduction' and a sub-title '/wallride/2020/06/10/Canada'. A green success message box says 'Article saved.' A red box highlights this message. To the right of the article content, there's a sidebar with various settings: Published (2020/06/10 18:03), Categories, Country, Tags (Culture), Related Posts, SEO, Title, Description, Keywords, Author (Wei Liu), and a Delete Article button.

The screenshot shows the live version of the WallRide website. The top navigation bar includes a logo, the title 'My personal website', a search bar, a submit button, and language and user dropdowns. The main content area features a section titled 'Latest News' with an article card for 'Canada: Introduction'. The card includes a thumbnail image of the WallRide logo, the article title, a snippet of text ('Canada is a country in the northern part of N...'), the date ('2020/06/10 18:03'), the author ('Liu Wei'), and tags ('Country', 'Culture'). A red arrow points to the article title 'Canada: Introduction'.

A screenshot of a web browser window titled "WallRide". The address bar shows "localhost:8080/wallride/2020/06/10/Canada". The page content is titled "Canada: Introduction". Below the title, there is a text area containing the text "Canada is a country in the northern part of North America. Its ten provinces and three territories extend from the Atlantic to the Pacific and northward into the Arctic Ocean, covering 9.98 million square kilometres (3.85 million square miles), making it the world's second-largest country by total area." To the left of this text area is a small icon of a person. Below the text area, there is a "Culture" category icon and the name "Wei Liu". Underneath the text area, there is a "Liu Wei" section. A red arrow points to the "Post" button in a modal dialog box.

3.6.5 Delete comment

The screenshot shows the WallRide admin interface for managing comments. A modal dialog titled "Delete Comment" is open, asking "Are you sure you want to delete?" with a checked "Confirm" checkbox. Below the dialog are "Cancel" and "Delete" buttons, with a red arrow pointing to the "Delete" button. In the background, the main comments list shows a single comment from "Liu Wei" with the text "First comment for 'Canada: Introduction'". The "Delete" button in the list has a red arrow pointing to it.

The screenshot shows the WallRide admin interface after a comment has been deleted. A green success message box at the top states "Comments deleted." This message is highlighted with a red rectangular border. The main comments list is empty, showing 0 comments. The page navigation indicates 1 comment was deleted.

3.7 Page

3.7.1 Add new page

The screenshot shows the 'Add New Page' interface in the WallRide admin panel. The left side features a rich text editor with a toolbar containing bold, italic, underline, and other styling options. The main content area contains the text: "This is the home to remember everyday life!". Above the editor is a URL input field with "http://localhost:8080/wallride/" followed by a dropdown menu set to "Everyday". To the right of the editor are several configuration sections: "Cover Image" (empty), "Publish Date" (YYYY/MM/DD HH:mm), "Parent Page" (Select Parent Page dropdown), "Categories" (checkbox for "Country" and a "+ Add New Category" link), "Tags" (input field with "Entertainment"), "Related Posts" (empty input field), "SEO" (Title and Description input fields), "Keywords" (input field), and "Author" (input field with "Wei Liu"). At the top right of the page are buttons for "Preview", "Save Draft", and a prominent red "Publish" button, which is highlighted with a red arrow.

The screenshot shows the WallRide administration interface. At the top, there's a navigation bar with links for Home, Articles, Pages, Categories, Tags, Custom Field, Comments, Users, Google Analytics, System, and Language (English). On the right, there's a user profile for 'Liu Wei'. Below the navigation, a page titled 'Everyday Life' is displayed. A green success message box contains the text 'Page saved.' A red rectangle highlights this message. To the right of the page content, there are sections for 'Published' (2020/06/10 18:00), 'Edit' (button), 'Parent Page', 'Categories', 'Country', 'Tags' (with 'Entertainment' selected), 'Related Posts', 'SEO', 'Title', 'Description', 'Keywords', 'Author' (Wei Liu), and a 'Delete Page' button.

3.7.2 Scan page

The screenshot shows the 'Everyday Life' page from the website. The header includes a navigation bar with 'My personal website' and 'Everyday Life' (highlighted with a red arrow pointing up), a search bar, and a submit button. On the right, there are language and user selection buttons ('English', 'Liu Wei'). The main content area displays the heading 'Everyday Life' and the text 'This is the home to remember everyday life!'. Below the text is a link to the 'Entertainment' category.

3.7.3 Edit page

The screenshot shows the 'Edit Page' screen in the WallRide admin interface. The top navigation bar includes links for 'Articles', 'Pages', 'Categories', 'Tags', 'Custom Field', 'Comments', 'Users', 'Google Analytics', and 'System'. A user profile for 'Liu Wei' is visible on the right.

The main area is titled 'Edit Page' and contains a rich text editor with a toolbar. The editor's content area displays the text: "This is the home to remember everyday life!" and "Nice to meet you!". The "Nice to meet you!" text is highlighted with a red box.

On the right side, there are several configuration sections:

- Publish Date:** Set to "2020/06/10 18:00".
- Parent Page:** A dropdown menu set to "Select Parent Page".
- Categories:** A checkbox for "Country" is checked, and a link to "Add New Category" is available.
- Tags:** A tag "Entertainment" is listed.
- Related Posts:** An empty input field.
- SEO:** Fields for "Title" and "Description".
- Keywords:** An empty input field.
- Author:** Set to "Wei Liu".

At the top right of the main area, there are three buttons: "Preview", "Save Draft", and a large red "Publish" button, which has a red arrow pointing to it.

3.7.4 Delete page

Chapter 4 JeeWeb

4.1 Login

4.2 Profile

4.2.1 Update profile picture

4.2.2 Update password

The screenshot shows the JeeWeb admin interface. On the left, there's a sidebar with icons for Control Panel, Code Generator, System Settings, User Management, Department Management, Role Management, Menu Management, and Data Dictionary. The 'System Settings' section is currently selected. In the main area, a 'Form Configuration' (表单配置) page is displayed. A modal window titled 'Modify Password' (修改密码) is open, containing two password input fields and a confirmation message: '通过信息验证!' (Information verified!). There are 'Close' (关闭) and 'Modify Password' (修改密码) buttons at the bottom of the modal.

4.3 System management

4.3.1 User

Add user

The screenshot shows the JeeWeb admin interface. The sidebar includes 'System Administrator', 'Control Panel', 'Code Generator', 'System Settings' (selected), 'User Management' (highlighted in red), 'Department Management', 'Role Management', 'Menu Management', and 'Data Dictionary'. The 'User Management' page is active. A modal window titled 'Create User' (创建用户) is open, prompting for information: '用户名' (username) Escobito, '姓名' (name) Escobito, '邮箱' (email) Escobito@gmail.com, '联系电话' (phone) 15112345677, '密码' (password) '.....', '确认密码' (confirm password) '.....', '用户角色' (user role) checked '普通用户' (Normal User), and '组织机构' (organization) set to '无'. At the bottom right of the modal are 'Confirm' (确定) and 'Close' (关闭) buttons. A red arrow points to the 'Confirm' button.

Search user

The screenshot shows the JeeWeb admin interface. The sidebar includes 'System Administrator', 'Control Panel', 'Code Generator', 'System Settings' (selected), 'User Management' (highlighted in red), 'Department Management', 'Role Management', 'Menu Management', and 'Data Dictionary'. The 'User Management' page is active. A search bar at the top has '用户名' (username) set to 'Escobito'. Below it is a table with columns: 操作 (Operation), 姓名 (Name), 用户名 (Username), 邮箱 (Email), and 联系电话 (Phone). One row is shown: 操作 (Edit) for user 'Maria Escobito' (用户名 Escobito, 邮箱 Escobito@gmail.com, 联系电话 15112345677). A red arrow points to the search bar.

Update user

localhost:8080/jeeweb/admin/sys/user

The screenshot shows the JeeWeb user management interface. On the left is a dark sidebar with various system settings and monitoring options. The main area has a title '用户管理' (User Management) and a sub-section '修改用户' (Modify User). The user details shown are: 姓名: Escobito, *姓名: Maria Escobito, *邮箱: Escobito@gmail.com, *联系电话: 15112345677, *用户角色: Admin (checked), and 组织机构: 无. There are '确定' (Confirm) and '关闭' (Close) buttons at the bottom.

Update user password

localhost:8080/jeeweb/admin/sys/user

The screenshot shows the JeeWeb user management interface. The sidebar and main title are identical to the previous screenshot. The sub-section is now '修改密码' (Modify Password). The password fields shown are: *姓名: Maria Escobito, *用户名: Escobito, *密码: (redacted), and *确认密码: (redacted). A red arrow points to the '确定' (Confirm) button at the bottom right. The '关闭' (Close) button is also visible.

Delete user

The screenshot shows the JeeWeb user management page. On the left is a sidebar with various system management options like Control Panel, Code Generator, System Settings, User Management, Department Management, Role Management, Menu Management, Data Dictionary, System Monitoring, Common Tools, Email Settings, and Shortcuts. The main area is titled "User Management". It has a search bar for "姓名" (Name) and "用户名" (Username). Below the search bar are buttons for "Create User" (+ 创建用户), "Edit User" (编辑用户), "Change Password" (修改密码), and "Delete" (删除), with "Delete" highlighted with a red box. A modal dialog box is centered over the table, containing a large exclamation mark icon, the word "提示" (Prompt), and the text "您确定要删除这些信息么, 请谨慎操作!" (Are you sure you want to delete this information? Please operate carefully!). At the bottom of the dialog are "Cancel" (取消) and "Confirm" (确定) buttons, with "Confirm" also highlighted with a red arrow.

4.3.2 Department

Add department

The screenshot shows the JeeWeb department management page. The sidebar includes options like Control Panel, Code Generator, System Settings, User Management, Department Management, Role Management, Menu Management, Data Dictionary, System Monitoring, Common Tools, Email Settings, and Shortcuts. The main area is titled "Department Management". A modal dialog box is open, titled "添加" (Add). It contains fields for "名称" (Name) with "Department of Health" entered, "上级机构" (Parent Organization) with "无" (None) selected, and a "备注" (Remarks) field. At the bottom of the dialog are "确认" (Confirm) and "关闭" (Close) buttons.

Search department

The screenshot shows the JeeWeb department management page. The sidebar includes options like Control Panel, Code Generator, System Settings, User Management, and Department Management. The main area is titled "Department Management". A search bar at the top has "Health" entered. Below it is a table with columns "名称" (Name), "备注" (Remarks), and "操作" (Operations). One row in the table shows "Department of Health" in the "名称" column and a red "删除" (Delete) button in the "操作" column. A red arrow points to the "搜索" (Search) button at the bottom right of the search bar.

4.3.4 Dictionary

Add dictionary

The screenshot shows the JeeWeb admin interface with a dark sidebar on the left containing various system management options like Control Panel, Code Generator, and System Settings. The main content area is titled '分组管理' (Group Management). A modal window titled '添加' (Add) is open, showing fields for '分组名称' (Group Name) and '分组编码' (Group Code), both set to 'Age'. There is also a '备注' (Remarks) field containing the text 'This is age.'. At the bottom of the modal are '确定' (Confirm) and '关闭' (Close) buttons.

Search dictionary

The screenshot shows the 'Group Management' page after a search. The search bar at the top has 'Age' entered. The results table shows one entry: 'Age' with 'Age' as both the group name and code. The '备注' (Remarks) column contains the text 'This is age.'. A red arrow points from the search bar to the '搜索' (Search) button.

Update dictionary

The screenshot shows the 'Group Management' page with the 'Age' group selected for editing. An 'Edit' dialog is open, showing the same fields as the add dialog: '分组名称' (Group Name) and '分组编码' (Group Code), both set to 'Age'. The '备注' (Remarks) field contains the text 'This is age.' A red box highlights the '备注' field. At the bottom of the dialog are '确定' (Confirm) and '关闭' (Close) buttons.

Delete dictionary

The screenshot shows the JeeWeb admin interface with the URL localhost:8080/jeeweb/admin/sys/dict/group#. The left sidebar includes '控制台', '代码生成器', '系统设置' (selected), '用户管理', '部门管理', '角色管理', '菜单管理', '数据字典', '系统监控', '常见工具', and '邮箱设置'. The main content area is titled '分组管理' (Group Management). It has input fields for '分组名称' (Group Name) and '分组编码' (Group Code). Below are buttons for '+添加' (Add), '修改' (Modify), '删除' (Delete), and '强制刷新' (Force Refresh). A table lists groups with columns: 操作 (Operations), 分组名称 (Group Name), and 分组编码 (Group Code). One row is highlighted with a red border, showing '+添加字典' (Add Dictionary) and '删除' (Delete) buttons. A modal dialog box is centered over the table, containing an exclamation mark icon, the text '您确定要删除该信息么, 请谨慎操作!' (Are you sure you want to delete this information? Please operate carefully!), and two buttons: '取消' (Cancel) and '确定' (Confirm).

4.4 System tool

4.4.1 Task

Add task

The screenshot shows the JeeWeb admin interface with the URL localhost:8080/jeeweb/admin/task/schedulejob. 4.4.2 Database config

Add database

The screenshot shows the 'JeeWeb' administration interface. On the left, there's a sidebar with various management tools like Control Panel, Code Generator, System Settings, and Monitoring. The 'Common Tools' section is currently selected. In the main area, a modal window titled '添加' (Add) is open for creating a new database source. The form fields are as follows:

操作	*数据库关键字: MySQL	*数据库类型: MySql
	*驱动类: com.mysql.jdbc.Driver	
	*数据源地址: jdbc:mysql://SERVERADDRESS:PORT/YOURDATABASENAME?useUnicode=true&characterE	
	*数据库名称: JeeWeb	*数据库用户名: root
	*数据库密码: root	描述: This is the database for jeeweb application.

At the bottom right of the modal are '确定' (Confirm) and '关闭' (Close) buttons.

Search database

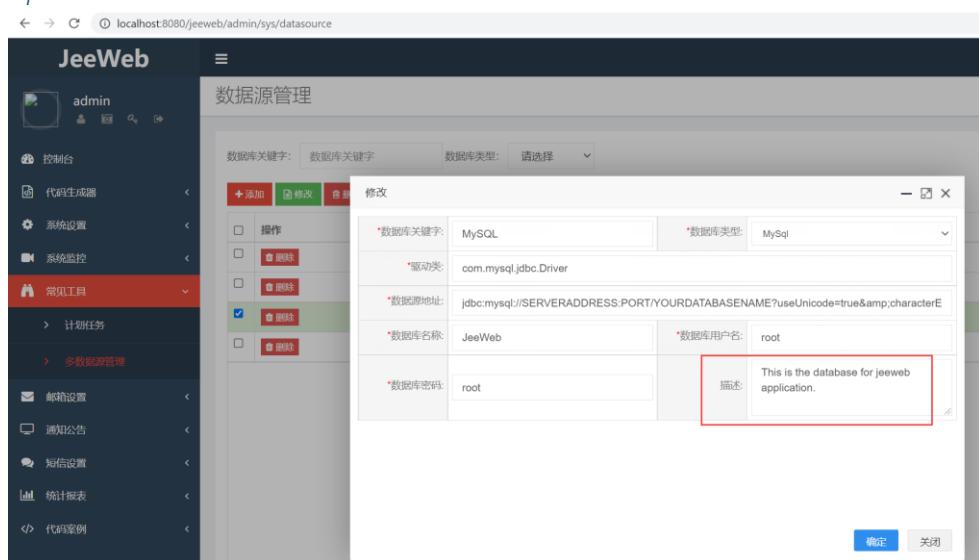

The screenshot shows the 'JeeWeb' administration interface. The 'Common Tools' section is selected in the sidebar. The main area displays a search result for 'MySQL'. A search bar at the top has 'MySQL' entered. Below it is a table with columns: 操作 (Operation), 数据库关键字 (Database Keyword), 数据库类型 (Database Type), 驱动类 (Driver Class), 数据源地址 (Data Source Address), 数据库名称 (Database Name), 数据库用户名 (Database Username), and 数据库密码 (Database Password). Two entries are listed:

操作	数据库关键字	数据库类型	驱动类	数据源地址	数据库名称	数据库用户名	数据库密码
删除	mysql	MySql	com.mysql.jdbc.Driver	jdbc:mysql://SERVERADDI	database	root	root
删除	MySQL	MySql	com.mysql.jdbc.Driver	jdbc:mysql://SERVERADDI	JeeWeb	root	root

A red arrow points to the '搜索' (Search) button at the top right of the table area.

Update database

The screenshot shows the 'JeeWeb' administration interface. The 'Common Tools' section is selected in the sidebar. The main area shows the '修改' (Modify) dialog for a MySQL database source. The form fields are identical to the 'Add' dialog:

操作	*数据库关键字: MySQL	*数据库类型: MySql
	*驱动类: com.mysql.jdbc.Driver	
	*数据源地址: jdbc:mysql://SERVERADDRESS:PORT/YOURDATABASENAME?useUnicode=true&characterE	
	*数据库名称: JeeWeb	*数据库用户名: root
	*数据库密码: root	描述: This is the database for jeeweb application.

At the bottom right of the dialog are '确定' (Confirm) and '关闭' (Close) buttons. A red box highlights the '描述' (Description) field.

Delete database

The screenshot shows the JeeWeb Data Source Management interface. On the left is a sidebar with various management options like Control Panel, Code Generator, System Settings, and Common Tools. Under Common Tools, 'Data Source Management' is selected. The main area displays a table of data sources with columns for operation, database keyword, database type, driver class, and data source address. A modal dialog box is overlaid, containing a large exclamation mark icon, the word '提示' (Prompt), and the message '您确定要删除该信息么，请谨慎操作！' (Are you sure you want to delete this information? Please operate carefully!). There are '取消' (Cancel) and '确定' (Confirm) buttons at the bottom.

4.5 Email

4.5.1 Email config

The screenshot shows the JeeWeb Email Configuration interface. The sidebar includes 'Email Settings' under 'Common Tools'. The main form is titled 'Email Configuration' and contains fields for 'Email Server': 'smtp.exmail.qq.com', 'Port': '25', 'Authentication': 'Yes', 'Username': 'jeeweb@jeeweb.cn', 'Password': 'Jeeweb123456', 'Recipient': 'jeeweb@jeeweb.cn', and a 'Test Text' field. Below the form are 'Submit' and 'Test' buttons. A red arrow points from the 'Submit' button towards the 'Test' button.

4.5.2 Send email

The screenshot shows the JeeWeb Email Send interface. The sidebar includes 'Email Settings' under 'Common Tools', with 'Email Send' selected. The main form is titled 'Email Send (Email Content Method)' and shows the recipient 'Davis@gmail.com', subject 'Notification from jeeweb', and a rich text editor with the following content:

Hi, Davis:
This is the notification from the jeeweb.
Best,
JeeWeb

At the bottom right is a 'Send' button.

4.5.6 Send email log

The screenshot shows the JeeWeb admin interface with a dark sidebar. The sidebar includes links for Control Panel, Code Generator, System Settings, System Monitoring, Common Tools, Email Settings (which is highlighted in red), Parameters Configuration, Email Sending, and Email Template. The main content area is titled '邮件发送日志' (Email Send Log). It features a search bar with a placeholder '主题' (Subject) and a '搜索' (Search) button. Below the search bar is a table with columns: 'EMAIL' (checkbox), '主题' (Subject), '发送数据' (Send Data), '响应时间' (Response Time), and '是否发送成功' (Success Status). The table contains ten rows of data, each representing an email send log entry.

EMAIL	主题	发送数据	响应时间	是否发送成功
123456@gmail.com	verify code	hi, testing from email template	2022-02-25 01:39:52	否
502079461@qq.com	JEEWEB测试邮件		2017-07-05 23:47:35	是

4.6 Notification

4.6.1 Add notification

The screenshot shows the JeeWeb admin interface with a dark sidebar. The sidebar includes links for Control Panel, Code Generator, System Settings, System Monitoring, Common Tools, Email Settings, and Notification公告 (which is highlighted in red). The main content area is titled '通知公告' (Notification). A modal dialog is open for adding a new notification. It has fields for '标题' (Title) containing 'Notificatoin from jeeweb', '内容' (Content) containing 'Hi, How are you doing?', and a '是否发布' (Published) checkbox which is checked. There are buttons for '+添加' (Add), '修改' (Edit), '删除' (Delete), and '确定' (Confirm).

4.6.2 Search notification

The screenshot shows the JeeWeb admin interface with a dark sidebar. The sidebar includes links for Control Panel, Code Generator, System Settings, System Monitoring, Common Tools, and Notification公告. The main content area is titled '通知公告'. A search bar at the top has '标题: hi' entered. A red arrow points to the '搜索' (Search) button. Below the search bar is a table with columns: '操作' (Operations), '标题' (Title), '内容' (Content), and '发布状态' (Published Status). The table contains three rows of data, each representing a notification entry.

操作	标题	内容	发布状态
删除	Hi, every one!	Hi, everyone. This is the message from JeeWeb.	是
删除	Hi, how are you.	This is the notification from jeeweb.	是

4.6.3 Update notification

The screenshot shows the JeeWeb admin interface with the URL localhost:8080/jeeweb/admin/oa/onotification. The left sidebar is titled 'JeeWeb' and includes links for Control Panel, Code Generator, System Settings, System Monitoring, Common Tools, Email Settings, and Notifications (highlighted in red). Under Notifications, there are sub-links for '通知公告' (highlighted in red) and '短信设置'. The main content area is titled '通知公告' and shows a modification dialog. The dialog has tabs for '标题' (Title) and '内容' (Content), both of which are set to 'notification from jeeweb'. A checkbox labeled '是否发布' (Is Published) is checked, with radio buttons for '是' (Yes) and '否' (No). The dialog has buttons for '确定' (Confirm) and '关闭' (Close).

4.6.4 Delete notification

The screenshot shows the JeeWeb admin interface with the same URL as the previous screenshot. The left sidebar is identical. The main content area shows a list of notifications. One notification, titled 'notification from jeeweb', has its 'Delete' button highlighted with a red box. A confirmation dialog is overlaid on the page, featuring a large exclamation mark icon, the word '提示' (Prompt), and the text '您确定要删除这些信息么, 请谨慎操作!' (Are you sure you want to delete this information? Please operate carefully!). It includes '取消' (Cancel) and '确定' (Confirm) buttons.

4.7.4 Update database table

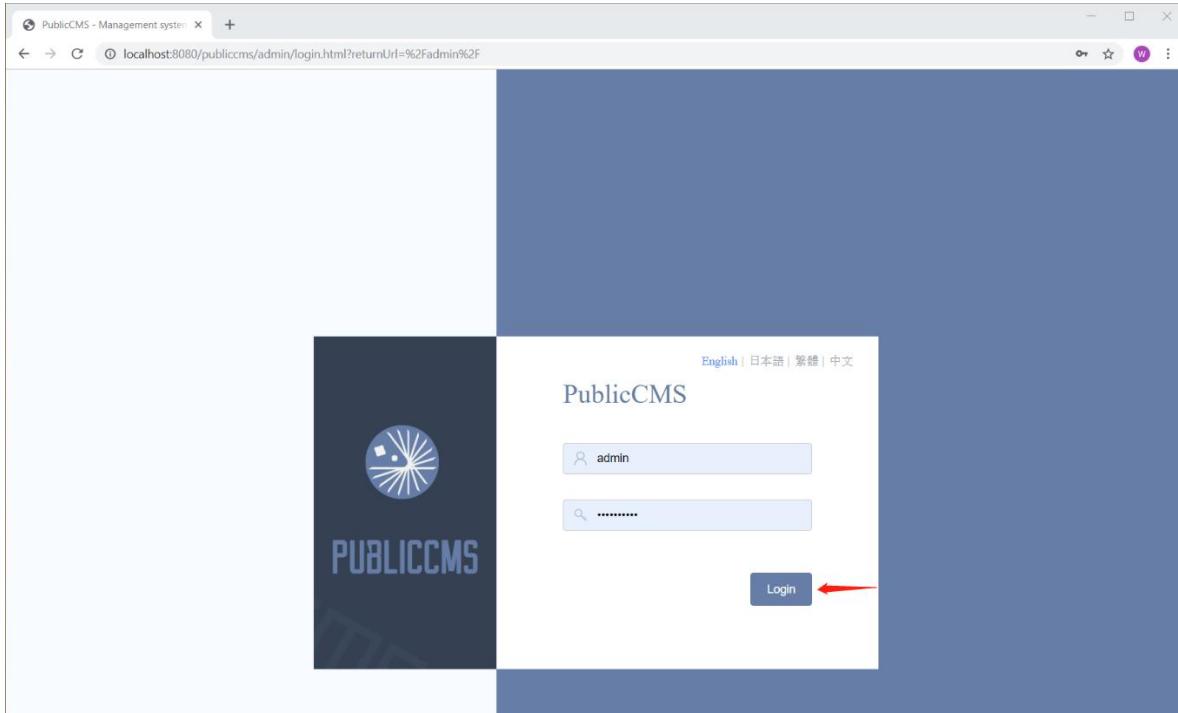

4.7.5 Delete database table

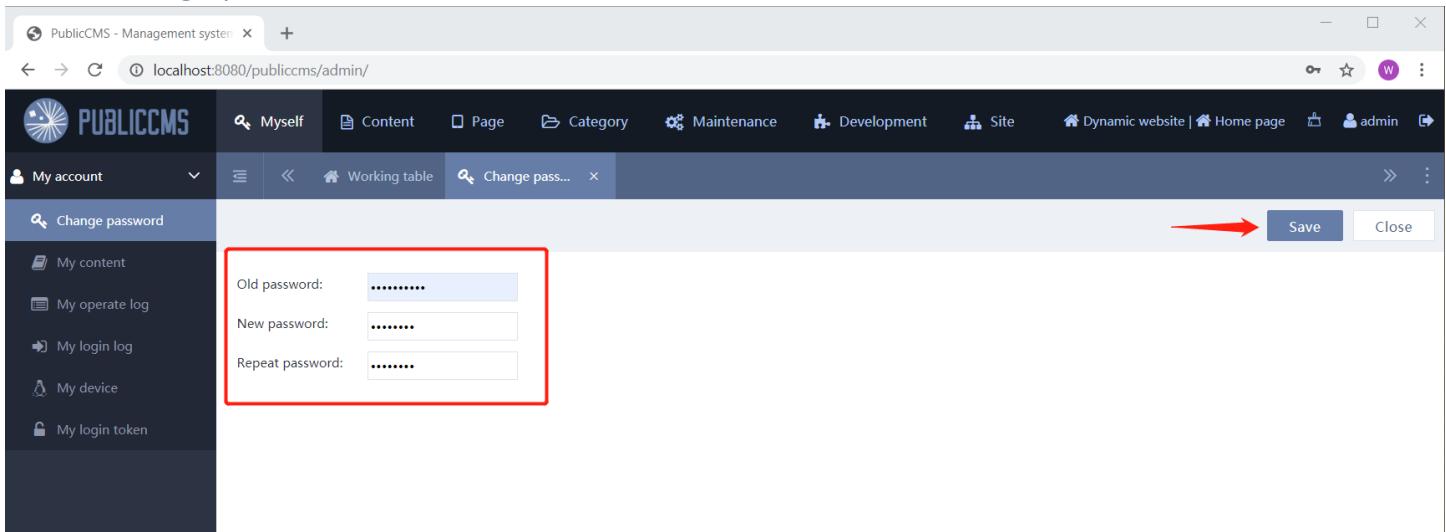

Chapter 5 PublicCMS

5.1 Login

5.2 Myself

5.2.1 Change password

5.2.2 Search my operate log

The screenshot shows the PublicCMS Management system interface. The left sidebar has a dark theme with items like 'My account', 'Change password', 'My content', and 'My operate log' (which is selected). The main area has tabs for 'Working table' and 'My operate log'. A search bar at the top includes fields for 'Channel', 'Code' (set to 'changepassword'), 'Log content', 'Operate date', and a 'Search' button. An arrow points to the 'Search' button.

Channel	Operate/Code	Operate IP	Operate date	Log content
web_manager	Change password / changepassword	0:0:0:0:0:1	2020-06-15 19:43:56	5e23a66a2a885d91b904f01e31622509c0314c82b84ee320b26bf244c018...View more
web_manager	Delete the operation log / delete.logOperate	0:0:0:0:0:1	2020-06-15 18:54:02	73
web_manager	Delete the operation log / delete.logOperate	0:0:0:0:0:1	2020-06-15 18:53:43	70
web_manager	Delete the operation log / delete.logOperate	0:0:0:0:0:1	2020-06-15 18:23:26	71

This screenshot is similar to the previous one but shows the result of the search. The 'Code' field in the search bar is now empty, but the results for 'changepassword' are highlighted with a red box. An arrow points to the highlighted row.

Channel	Operate/Code	Operate IP	Operate date	Log content
web_manager	Change password / changepassword	0:0:0:0:0:1	2020-06-15 19:43:56	5e23a66a2a885d91b904f01e31622509c0314c82b84ee320b26bf244c018...View more

5.2.3 Delete my operate log

The screenshot shows the 'My operate log' page with a confirmation dialog over it. The dialog asks 'Are you sure to delete these record?' with 'OK' and 'Cancel' buttons. A red arrow points to the 'OK' button. Another red arrow points to the 'Batch delete' link in the table header. The table below shows several log entries, with the first one checked for deletion.

Channel	Operate/Code	Operate IP	Operate date	Log content
web_manager	Change password / changepassword	0:0:0:0:0:1	2020-06-15 19:43:56	5e23a66a2a885d91b904f01e31622509c0314c82b84ee320b26bf244c018...View more

admin	web_manager	0:0:0:0:0:1	Success	2020-06-15 19:43:05	

The screenshot shows the PublicCMS Management system interface. The left sidebar has a dark theme with items like 'My account', 'Change password', 'My content', 'My operate log', 'My login log' (which is selected and highlighted in blue), 'My device', and 'My login token'. The main content area has a title 'Working table' and a sub-title 'My login log'. It includes search filters for 'Result' (Unrestricted), 'Channel' (empty), 'Login date' (empty), and 'Login IP' (empty). A 'Search' button is at the top right. Below is a table with columns: User name, Channel, Login IP, Result, Login date, and Error password. The table lists five entries for 'admin' using the 'web_manager' channel, all marked as 'Success' with various dates between June 15 and 16, 2020.

5.2.6 Search my login token

This screenshot shows the 'My login token' page. The left sidebar includes 'My login token' (selected). The main area has a search bar with 'Channel: web_manager' and a 'Search' button. A red box highlights this search criteria. Below is a table with columns: Channel, Authorize date, Expiry date, and Login IP. It lists three tokens for 'web_manager': one active and two expired. An arrow points from the 'Search' button in the previous screenshot to this search bar.

5.2.7 Delete my login token

This screenshot shows a confirmation dialog box over the 'My login token' page. The dialog asks 'Are you sure to delete this record?'. It has 'OK' and 'Cancel' buttons. A red arrow points to the 'OK' button. In the background, the table from the previous screenshot is visible, showing three tokens. Another red arrow points to the 'Delete' button in the table row for the token 'web_manager[Current token]'.

The screenshot shows the PublicCMS Management system interface. The left sidebar is titled 'User maintenance' and includes 'User management', 'Department management', 'Role management', 'Application client management', 'User report', 'System maintenance', and 'Log management'. The main content area is titled 'User management' and shows a table of users. A user with ID 5, name 'user', and email 'user@gmail.com' is selected. The 'Disabled' status is checked. A confirmation dialog box is open, asking 'Are you sure to disable this record?' with 'OK' and 'Cancel' buttons. The 'Operate' column for this user contains 'Login log' and 'Operation log' links.

5.4.3 Disable user

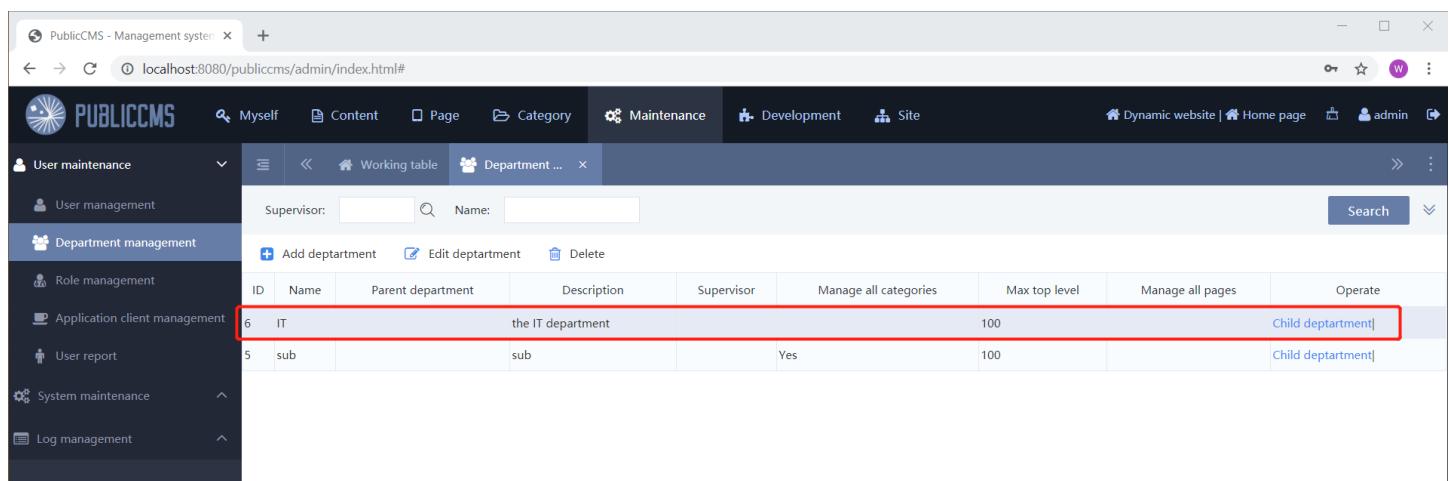

This screenshot shows the same 'User management' page as the previous one, but the confirmation dialog box has been moved to the center. It asks 'Are you sure to disable this record?' with 'OK' and 'Cancel' buttons. The 'OK' button is highlighted with a red arrow. The rest of the interface and data table remain the same.

This screenshot shows the 'User management' page again. The 'Disabled' dropdown in the search bar is highlighted with a red box. The user with ID 5 now has 'Disabled' checked in the 'Disabled' column of the table. The 'Operate' column still contains 'Login log' and 'Operation log' links.

5.4.4 Add department

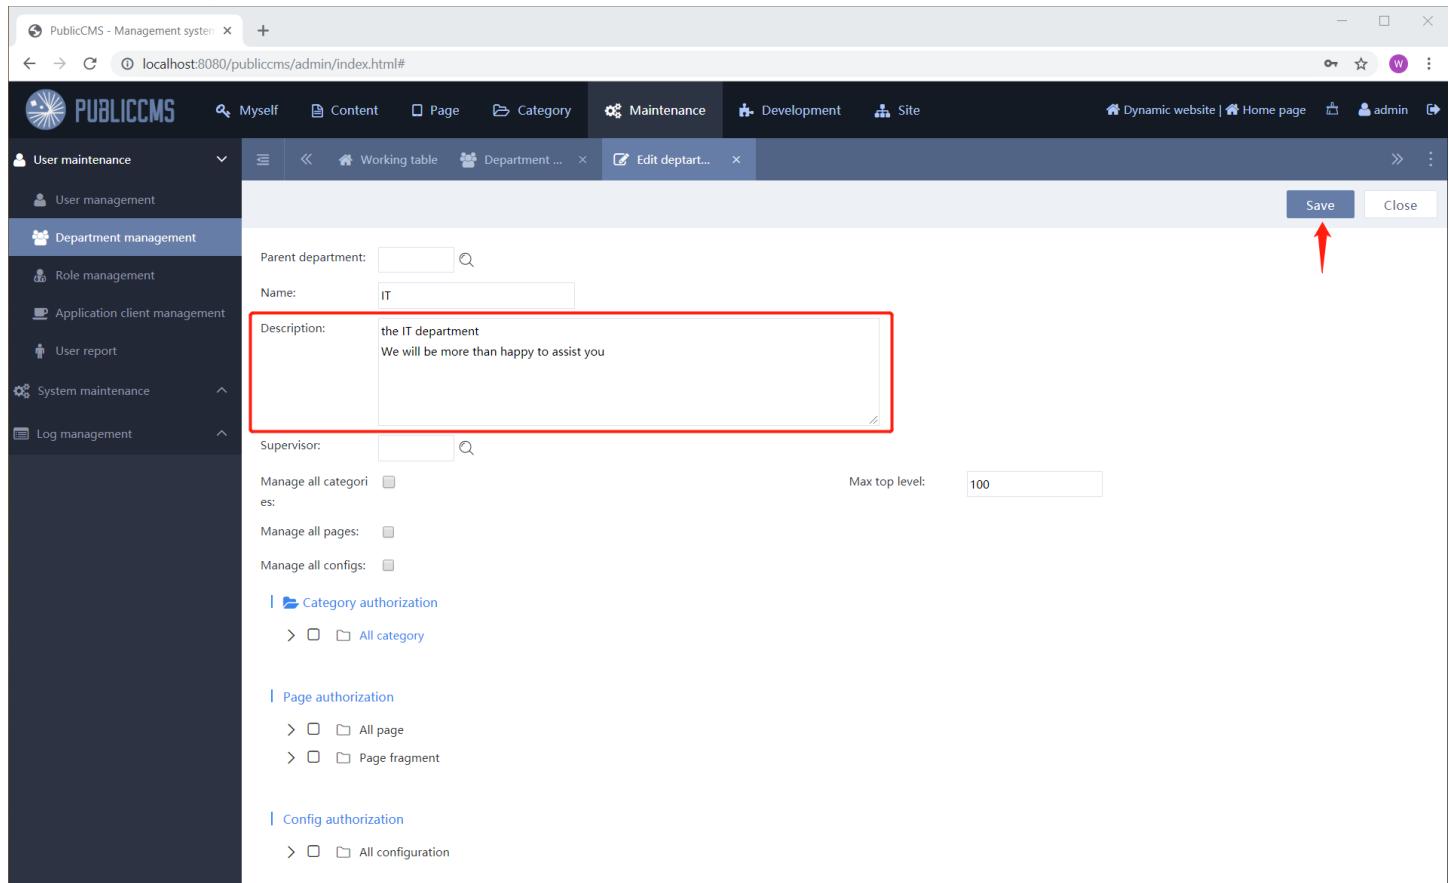

The screenshot shows the 'Add department' dialog in the PublicCMS Management system. The dialog form includes fields for Parent department, Name (IT), Description (the IT department), Supervisor, and checkboxes for managing categories, pages, and configurations. Below the form are sections for Category authorization, Page authorization, and Config authorization, each with a tree view of items. At the top right of the dialog is a 'Save' button, which is highlighted with a red arrow.

The screenshot shows the 'Working table' of departments in the PublicCMS Management system. The table has columns for ID, Name, Parent department, Description, Supervisor, Manage all categories, Max top level, Manage all pages, and Operate. A new row for 'IT' has been added, with its 'Operate' column containing the text 'Child department'. The entire row for 'IT' is highlighted with a red box.

5.4.9 Delete role

The screenshot shows the PublicCMS Management system interface. On the left, there's a sidebar with various maintenance and development tabs like User maintenance, System maintenance, and Log management. The main area is titled 'Role management'. A confirmation dialog box is overlaid on the page, asking 'Are you sure to delete this record?'. Below the dialog, there's a table with columns for ID, Name, and Owns all modules permissions. The 'superuser' entry has 'Yes' in the permissions column. A red box highlights the 'Delete' button in the toolbar above the table.

This screenshot shows the same PublicCMS Management system interface as the previous one, but the 'superuser' role has been deleted. The table now only contains the 'IT Manager' entry. The rest of the interface, including the sidebar and top navigation, remains the same.

5.4.10 Add dictionary

This screenshot shows the PublicCMS Management system interface with the 'Dictionary management' tab selected. A new entry is being added to the dictionary. The 'ID' field contains '1' and the 'Name' field contains 'age'. A red box highlights the input fields for ID and Name. To the right, there are 'Save' and 'Close' buttons, with an arrow pointing towards the 'Save' button.

The screenshot shows the PublicCMS Management system interface. On the left, the sidebar includes 'User maintenance', 'System maintenance' (selected), 'Task management', 'Dictionary management' (selected), and 'Log management'. The main area has tabs for 'Working table' and 'Dictionary m...'. Under 'Dictionary m...', there are buttons for 'Add', 'Edit', and 'Batch delete'. A table lists a single record with ID 1 and Name 'current age'. A red box highlights the 'Delete' button in the 'Operate' column. A confirmation dialog box is overlaid, asking 'Are you sure to delete this record?' with 'OK' and 'Cancel' buttons. A red arrow points to the 'OK' button.

This screenshot shows the same interface after the deletion. The table now displays an empty row for the deleted record, and the 'Operate' column no longer contains a 'Delete' button.

5.4.13Delete upload log

The screenshot shows the 'Log management' section of the PublicCMS Management system. The 'Upload log' tab is selected. A table lists two log entries. A red arrow points to the 'Batch delete' button in the 'Operate' column of the first row. A confirmation dialog box is overlaid, asking 'Are you sure to delete these record?' with 'OK' and 'Cancel' buttons. A red arrow points to the 'OK' button.

User ID	Nick name	Channel	File type	Original name	File size	IP	Operate date	File path

5.4.15 Delete login log

The screenshot shows the PublicCMS Management system interface. On the left, the sidebar has 'Log management' expanded, with 'Login log' selected. In the main content area, a table lists several login logs for the user 'admin'. One row is selected and highlighted with a red box. A confirmation dialog box titled 'Confirmation' is overlaid, asking 'Are you sure to delete these record?'. It contains two buttons: 'OK' (highlighted with a red arrow) and 'Cancel'. The table header includes columns for User name, User ID, Channel, Login IP, Result, and Login date.

User name	User ID	Channel	Login IP	Result	Login date
admin	1	web_manager	0:0:0:0:0:1	Success	2020-06-17 18:51:41
admin	1	web_manager	0:0:0:0:0:1	Success	2020-06-17 18:14:48
admin	1	web_manager	0:0:0:0:0:1	Success	2020-06-17 17:24:31
admin	1	web_manager	0:0:0:0:0:1	Fail	2020-06-17 17:24:26
admin	1	web_manager	0:0:0:0:0:1	Fail	2020-06-17 17:24:21

This screenshot shows the same PublicCMS Management system interface after a deletion. The 'Login log' table now displays only five rows of data, indicating that one entry has been successfully removed. The red box from the previous screenshot is still present around the first row of data.

User name	User ID	Channel	Login IP	Result	Login date
admin	1	web_manager	0:0:0:0:0:1	Success	2020-06-17 18:14:48
admin	1	web_manager	0:0:0:0:0:1	Success	2020-06-17 17:24:31
admin	1	web_manager	0:0:0:0:0:1	Fail	2020-06-17 17:24:26
admin	1	web_manager	0:0:0:0:0:1	Fail	2020-06-17 17:24:21

5.5 Category

5.5.1 Add category type

The screenshot shows the PublicCMS Management system interface for 'Category type'. The 'Category' tab is selected in the top navigation bar. The left sidebar has 'Category extension' expanded, with 'Category type' selected. A new category type is being added, with its details filled in the form: 'Name' is set to 'SUV' and 'Sort' is set to '0'. A red box highlights the 'Name' field. A red arrow points to the 'Save' button in the top right corner of the form. Below the form, a note says 'Category extension field(The following fields are invalid:title,keywords,description)(Default value only affects new data)'. At the bottom, there are buttons for 'Add rows' and a table with columns like Code, Field type, Name, Required, Default value, Max length, Data dictionary, Description, Sort, and Operate.

Category management		Working table	Category type	Maintenance	Development	Site	Dynamic website	Home page	admin
Category extension		Add category type	Edit category type	Delete					
Category type		ID	Name			Sort			
Tag type	2	SUV			0				

5.5.2 Edit category type

PublicCMS - Management system

localhost:8080/publiccms/admin/#

Category management		Working table	Category type	Edit category...	Save	Close
Category extension						
Category type		Name: Sports Car				
Tag type		Sort: 0				
<small>Category extension field(The following fields are invalid:title,keywords,description)(Default value only affects new data)</small>						
<input type="button" value="Add rows"/> 1						
Code	Field type	Name	Required	Default value	Max length	Data dictionary
Description	Sort	Operate				

Category management		Working table	Category type	Maintenance	Development	Site	Dynamic website	Home page	admin
Category extension		Add category type	Edit category type	Delete					
Category type		ID	Name			Sort			
Tag type	2	Sports Car			0				

5.5.3 Delete category type

PublicCMS - Management system

localhost:8080/publiccms/admin/#

Category management		Working table	Category type	Maintenance	Development	Site	Dynamic website	Home page	admin
Category extension		Add category type	Edit category type	Delete					
Category type		ID	Name			Sort			
Tag type	2	Sports Car			0				

Confirmation

Are you sure to delete this record?

The screenshot shows the PublicCMS Management system interface. The top navigation bar includes links for Dynamic website, Home page, admin, and a user icon. The left sidebar has sections for Category management, Category extension, Category type, and Tag type. The main content area is titled 'Working table' and 'Category type'. It features buttons for 'Add category type', 'Edit category type', and 'Delete'. A table with columns 'ID', 'Name', and 'Sort' is displayed.

5.5.4 Add tag type

This screenshot shows the 'Add tag type' dialog box. It has a 'Name' input field containing 'power', which is highlighted with a red box. At the bottom right are 'Save' and 'Close' buttons, with a red arrow pointing to the 'Save' button.

This screenshot shows the 'Tag type' working table. The first row has an ID of 1 and a Name of 'power', which is highlighted with a red box. The table also has a 'Tag count' column with a value of 0.

5.5.5 Edit tag type

This screenshot shows the 'Edit tag type' dialog box. It has a 'Name' input field containing 'kilometres', which is highlighted with a red box. At the bottom right are 'Save' and 'Close' buttons, with a red arrow pointing to the 'Save' button.

The screenshot shows the PublicCMS Management system interface. The top navigation bar includes links for 'Myself', 'Content', 'Page', 'Category', 'Maintenance', 'Development', and 'Site'. The 'Category' tab is active. Below the navigation is a sidebar with 'Category management' sections for 'Category extension' (selected), 'Category type', and 'Tag type'. The main content area is titled 'Working table' and shows a table for 'Tag type'. The table has columns for 'ID', 'Name', and 'Tag count'. One row is selected, showing ID 1 and Name 'kilometres'. A red box highlights this row.

5.5.6 Delete tag type

This screenshot shows a confirmation dialog box over the PublicCMS Management system. The dialog asks 'Are you sure to delete this record?'. It contains two buttons: 'OK' (highlighted with a red arrow) and 'Cancel'. The background shows the same 'Tag type' list as the previous screenshot, with the 'kilometres' row still selected.

This screenshot shows the 'Tag type' list page after the 'kilometres' entry has been deleted. The table now only contains one row with ID 1 and Name 'kilometres', which is highlighted. The rest of the interface remains the same as the previous screenshots.

5.5.7 Add category

The screenshot shows the 'Add category' form in the PublicCMS Management system. The form includes fields for Parent category (set to 'demonstrate'), Name ('car'), Code ('car'), Tag type (''), Category static template ('/category/list.html'), Category access path ('\${category.code}/index.html'), Content page size ('20'), and Sort ('0'). There are also checkboxes for Outer chain, Allow contribute, and Hidden at front. The 'Save' button is highlighted with a red arrow.

The screenshot shows the 'Contribute' list in the PublicCMS Management system. The table lists various categories with their details. A red box highlights the row for the category 'car' (ID 123), which was just added. The row contains columns for ID, Name, Code, Category type, Parent category, Content page size, Contribute, Front display, Sort, and Operate. The 'Operate' column for this row includes links for Add a child, Copy, Change category type, Push, and Publish.

ID	Name	Code	Category type	Parent category	Content page size	Contribute	Front display	Sort	Operate
7	social	social		demonstrate	10[Contains subcategory content]	Forbid contribute	Show	0	Add a child Copy Change category type Push Publish
8	picture	picture		demonstrate	10[Contains subcategory content]	Forbid contribute	Show	0	Add a child Copy Change category type Push Publish
9	introduction	introduction		demonstrate	10[Contains subcategory content]	Forbid contribute	Show	0	Add a child Copy Change category type Push Publish
12	article	article		demonstrate	20[Contains subcategory content]	Forbid contribute	Show	0	Add a child Copy Change category type Push Publish
15	novel	novel		demonstrate	20[Contains subcategory content]	Forbid contribute	Show	0	Add a child Copy Change category type Push Publish
17	science	science		demonstrate	20[Contains subcategory content]	Forbid contribute	Show	0	Add a child Copy Change category type Push Publish
122	health	health		demonstrate	20	Forbid contribute	Show	0	Add a child Copy Change category type Push Publish
123	car	car		demonstrate	20	Forbid contribute	Show	0	Add a child Copy Change category type Push Publish

5.5.8 Edit category

The screenshot shows the 'Edit category' form in the PublicCMS Management system. The 'Basic information' tab is selected. The 'Sort' field contains the value '1' and is highlighted with a red box. The 'Save' button is located at the top right of the form.

The screenshot shows the 'Category management' working table. The table lists various categories with their details. A red box highlights the row for the category 'car' (ID: 123), which has a 'Sort' value of 1. The 'Operate' column for this row contains links: 'Add a child|Copy|Change category type|Push|Publish'.

ID	Name	Code	Category type	Parent category	Content page size	Contribute	Front display	Sort	Operate
7	social	social		demonstrate	10[Contains subcategory content]	Forbid contribute	Show	0	Add a child Copy Change category type Push Publish
8	picture	picture		demonstrate	10[Contains subcategory content]	Forbid contribute	Show	0	Add a child Copy Change category type Push Publish
9	introduction	introduction		demonstrate	10[Contains subcategory content]	Forbid contribute	Show	0	Add a child Copy Change category type Push Publish
12	article	article		demonstrate	20[Contains subcategory content]	Forbid contribute	Show	0	Add a child Copy Change category type Push Publish
15	novel	novel		demonstrate	20[Contains subcategory content]	Forbid contribute	Show	0	Add a child Copy Change category type Push Publish
17	science	science		demonstrate	20[Contains subcategory content]	Forbid contribute	Show	0	Add a child Copy Change category type Push Publish
122	health	health		demonstrate	20	Forbid contribute	Show	0	Add a child Copy Change category type Push Publish
123	car	car		demonstrate	20	Forbid contribute	Show	1	Add a child Copy Change category type Push Publish

5.5.9 Delete category

The screenshot shows the PublicCMS Management system interface. In the center, a modal dialog titled "Confirmation" asks, "Are you sure to delete these record?" with "OK" and "Cancel" buttons. A red arrow points to the "OK" button. Below the dialog is a table with a row selected and highlighted with a red border. Another red arrow points to the "Batch delete" button in the toolbar above the table.

ID	Name	Code	Category type	Parent category	Content page size	Contribute	Front display	Sort	Operate
7	social	social		demonstrate	10[Contains subcategory content]	Forbid contribute	Show	0	Add a child Copy Change category type Push Publish
8	picture	picture		demonstrate	10[Contains subcategory content]	Forbid contribute	Show	0	Add a child Copy Change category type Push Publish
9	introduction	introduction		demonstrate	10[Contains subcategory content]	Forbid contribute	Show	0	Add a child Copy Change category type Push Publish
12	article	article		demonstrate	20[Contains subcategory content]	Forbid contribute	Show	0	Add a child Copy Change category type Push Publish
15	novel	novel		demonstrate	20[Contains subcategory content]	Forbid contribute	Show	0	Add a child Copy Change category type Push Publish
17	science	science		demonstrate	20[Contains subcategory content]	Forbid contribute	Show	0	Add a child Copy Change category type Push Publish
122	health	health		demonstrate	20	Forbid contribute	Show	0	Add a child Copy Change category type Push Publish
123	car	car		demonstrate	20	Forbid contribute	Show	1	Add a child Copy Change category type Push Publish

The screenshot shows the PublicCMS Management system interface after the category has been deleted. The table now contains 12 rows, and the row for the category "car" is missing, indicating it has been successfully deleted.

ID	Name	Code	Category type	Parent category	Content page size	Contribute	Front display	Sort	Operate
7	social	social		demonstrate	10[Contains subcategory content]	Forbid contribute	Show	0	Add a child Copy Change category type Push Publish
8	picture	picture		demonstrate	10[Contains subcategory content]	Forbid contribute	Show	0	Add a child Copy Change category type Push Publish
9	introduction	introduction		demonstrate	10[Contains subcategory content]	Forbid contribute	Show	0	Add a child Copy Change category type Push Publish
12	article	article		demonstrate	20[Contains subcategory content]	Forbid contribute	Show	0	Add a child Copy Change category type Push Publish
15	novel	novel		demonstrate	20[Contains subcategory content]	Forbid contribute	Show	0	Add a child Copy Change category type Push Publish
17	science	science		demonstrate	20[Contains subcategory content]	Forbid contribute	Show	0	Add a child Copy Change category type Push Publish
122	health	health		demonstrate	20	Forbid contribute	Show	0	Add a child Copy Change category type Push Publish
123	car	car		demonstrate	20	Forbid contribute	Show	1	Add a child Copy Change category type Push Publish
124	test	test		demonstrate	20	Forbid contribute	Show	2	Add a child Copy Change category type Push Publish
125	test2	test2		demonstrate	20	Forbid contribute	Show	3	Add a child Copy Change category type Push Publish
126	test3	test3		demonstrate	20	Forbid contribute	Show	4	Add a child Copy Change category type Push Publish
127	test4	test4		demonstrate	20	Forbid contribute	Show	5	Add a child Copy Change category type Push Publish
128	test5	test5		demonstrate	20	Forbid contribute	Show	6	Add a child Copy Change category type Push Publish

5.6 Site and Development

5.6.1 Create new web site (edit)

The screenshot shows the PublicCMS Admin interface for creating a new website. The left sidebar has 'Site maintenance' expanded, with 'Site management' selected. The main area shows a form with the following fields:

- Name:** Happy University (highlighted with a red box)
- Enable static:**
- Dynamic path:** //dev.publiccms.com:8080/publiccms/
- Site path:** //dev.publiccms.com:8080/publiccms/webfile/ (highlighted with a red box)
- Enable SSL:**

Buttons at the top right include 'Default static configuration', 'Default dynamic configuration', 'Save' (highlighted with a red box), and 'Close'.

5.6.2 Create home page

The screenshot shows the PublicCMS Admin interface for creating a website file. The left sidebar has 'File maintenance' expanded, with 'Website file management' selected. The main area shows a form with the following fields:

- Path:** /home.html (highlighted with a red box)

The right side of the screen displays the HTML code for the 'home.html' file:

```
1 <!DOCTYPE html>
2 <html>
3 <head>
4   <title>Happy University</title>
5   <meta name="keywords" content="">
6   <meta name="description" content="">
7   <meta charset="utf-8">
8   <meta name="viewport" content="width=device-width,user-scalable=no,initial-scale=1.0">
9   <link href="//dev.publiccms.com:8080/publiccms/webfile/assets/css/style.css?1" rel="stylesheet"/>
10  <link href="//dev.publiccms.com:8080/publiccms/webfile/assets/swiper/swiper.min.css" rel="stylesheet"/>
11  <!--[if lt IE 9]>
12  <script src="//dev.publiccms.com:8080/publiccms/webfile/assets/js/html5shiv.min.js"></script>
13  <script src="//dev.publiccms.com:8080/publiccms/webfile/assets/js/respond.min.js"></script>
14  <![endif]-->
15
16 </head>
17 <body>
18 <header>
19   <div class="top-bar">
20     <div class="container">
21       <ul class="fleft user-login">
22         <li><a href="//dev.publiccms.com:8080/publiccms/login.html">Login</a></li>
23         <li><a href="//dev.publiccms.com:8080/publiccms/register.html">Register</a></li>
24       </ul>
25     </div>
26   </div>
27 </header>
28 <div class="content">
29   <div class="container">
30     <h1>Welcome to Happy University</h1>
31     <p>This is the homepage of Happy University. We offer various courses and services for students and faculty.</p>
32     <ul class="list-group">
33       <li>Course A</li>
34       <li>Course B</li>
35       <li>Course C</li>
36     </ul>
37   </div>
38 </div>
39 <footer>
40   <div class="container">
41     <ul class="list-group">
42       <li>About Us</li>
43       <li>Contact Us</li>
44       <li>FAQ</li>
45     </ul>
46   </div>
47 </footer>
48 </body>
49 </html>
```

Buttons at the top right include 'Delete' and 'Save' (highlighted with a red box).

5.6.3 Create content page

The screenshot shows the PublicCMS administration interface. On the left, a sidebar lists 'File maintenance' categories: 'Template management', 'Page fragment template', 'Task template management', 'Website file management', and 'Configuration management'. The 'Website file management' section is selected. In the main area, a 'Website file' tab is open, showing the path '/news/news_1.html' in a red box. Below the path is a code editor displaying the HTML code for the page. The code includes meta tags for keywords and description, a viewport declaration, and various script and link tags. At the top right of the editor, there are 'Delete' and 'Save' buttons, with a red arrow pointing to the 'Save' button.

5.6.4 Scan web site

The screenshot shows the Happy University website. At the top, there is a header with 'Happy University' logo, 'Login', 'Register', a search bar, and a key icon. Below the header, a navigation menu includes 'Home', 'About', 'Schools', 'Research', 'International', and 'Campus Life'. The main content area features a 'News & Events' section with three items:

- Hello, Summer
- Online courses cross the border
- Outstanding Alumnus Award Ceremony

To the right of the news items is a 'Tag' section with buttons for 'Student', 'Sport', 'Research', and 'Alumni'. Below that is a 'Quick Links' section with links to 'Admission', 'Library', and 'Careers'. At the bottom, there is a footer with sections for 'About', 'Contact', and 'More', along with a search bar.

6.1 Membership management

6.1.1 Membership role

Add role

The screenshot shows the 'Add role' page at localhost:8080/bbs-5.6/admin/control/userRole/manage/add. The 'ContentManager' role is being added with a sorting value of 2. The permissions section is highlighted with a red box, showing various checkboxes for managing topics and comments.

Update role

The screenshot shows the 'Update role' page at localhost:8080/bbs-5.6/admin/control/userRole/manage/edit?userId=29d99914d6a24be6b1bce21d51e2a87d. The 'ContentManager' role is being updated with a sorting value of 2. The permissions section is highlighted with a red box, showing various checkboxes for managing topics and comments. A new permission '标签 Tag_business' is also selected.

Delete role

The screenshot shows the 'Delete role' confirmation dialog. It asks if the user wants to delete the 'ContentManager' role. The dialog has '取消' (Cancel) and '确定' (Confirm) buttons. The 'ContentManager' role is highlighted with a red box in the list of roles.

Delete account

The screenshot shows a list of users under '会员管理' (User Management). One user, 'Maria', is highlighted with a red box. A modal dialog box is displayed in the center, containing the text '此操作将删除该项, 是否继续?' (This operation will delete this item, do you want to continue?) with '取消' (Cancel) and '确定' (Confirm) buttons.

6.2 Membership card management

6.2.1 Membership card

Add card

The screenshot shows the 'Add card' form. It includes fields for '名称' (Name) with value 'vip06', '副标题' (Subtitle) with value 'vip_card', '用户角色' (User Role) set to 'SuperAdmin', '排序' (Sort Order) set to '6', and a '是否上架' (Is it on shelf) switch turned on. There is also a '说明标签' (Description Tag) field with value 'vip_card'.

Update card

The screenshot shows the 'Update card' form, which is identical to the 'Add card' form but with a different sort order value. The '排序' (Sort Order) field now contains '1'. All other fields and settings remain the same as in the 'Add card' screenshot.

Delete card

The screenshot shows a list of membership cards. A card named 'vip06' with a creation time of '2022-03-31 14:02:26' is selected and highlighted with a red box. A modal dialog titled '提示' (Prompt) is displayed, asking '此操作将删除该项, 是否继续?' (This operation will delete this item, continue?). The dialog has '取消' (Cancel) and '确定' (Confirm) buttons.

6.3 Employee management

6.3.1 Employee role

Add employee role

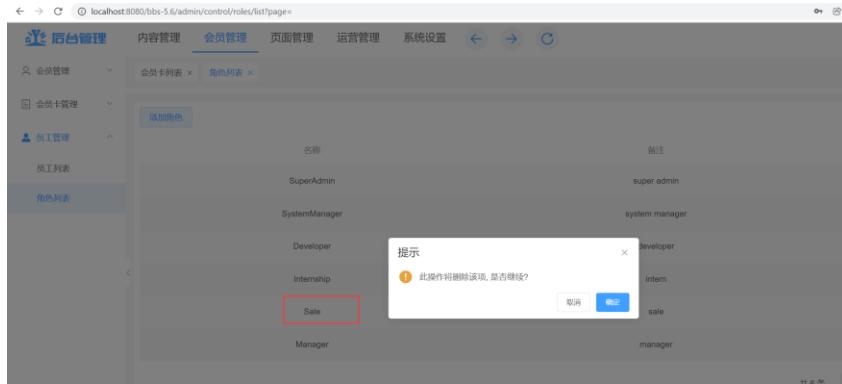

The screenshot shows the 'Add employee role' form. It includes fields for '角色名' (Role Name) with the value 'Sale' and '备注' (Remarks) with the value 'sale'. A large red box highlights the '权限' (Permissions) section, which contains a table of checkboxes for various management tasks under '话题管理' (Topic Management).

权限

<input type="checkbox"/>	修改标签
<input type="checkbox"/>	删除标签
<input type="checkbox"/>	全部待审核话题
<input type="checkbox"/>	全部待审核评论
<input type="checkbox"/>	全部待审核回复

Update employee role

The screenshot shows the 'Update employee role' form for the 'Sale' role. The '角色名' (Role Name) field is pre-filled with 'Sale' and the '备注' (Remarks) field is pre-filled with 'sale'. A large red box highlights the '权限' (Permissions) section, which is identical to the one in the 'Add employee role' form, showing a list of checkboxes for various management tasks under '话题管理' (Topic Management).

Delete employee role

6.3.2 Employee account

Add employee account

The screenshot shows the 'Add Staff' form. It includes fields for Account (账号), Name (姓名), Password (密码), Repeat Password (重复密码), Super Admin (超级管理员), Remarks (备注), Position (职位), and Activation Status (是否使用). The 'Super Admin' checkbox is checked.

Update employee account

The screenshot shows the 'Edit Staff' form for updating an existing account. It includes fields for Account (账号), Name (姓名), Password (密码), Repeat Password (重复密码), Super Admin (超级管理员), Remarks (备注), Position (职位), and Activation Status (是否使用). The 'Remarks' field is highlighted with a red border.

Delete employee account

The screenshot shows a list of employees with columns for '用户名' (Username), '姓名' (Name), and '角色' (Role). An employee named 'George' is selected, highlighted with a red box. A confirmation dialog box titled '提示' (Prompt) is displayed, asking '此操作将删除该项, 是否继续?' (This operation will delete this item, continue?). The dialog has '取消' (Cancel) and '确定' (Confirm) buttons.

6.4 Post management

6.4.1 Post tag

Add tag

The screenshot shows the 'Add tag' form. The '标签名称' (Label Name) field contains 'Education'. The '排序' (Order) field is set to '6'. A note below says '数字越大越在前' (The larger the number, the earlier it appears). A blue '提交' (Submit) button is at the bottom right.

Update tag

The screenshot shows the 'Update tag' form for an existing tag. The '标签名称' (Label Name) field still contains 'Education'. The '排序' (Order) field is now set to '0', which is highlighted with a red box. A note below says '数字越大越在前' (The larger the number, the earlier it appears). A blue '提交' (Submit) button is at the bottom right.

Delete tag

The screenshot shows a 'Tag List' page with a modal dialog titled '提示' (Prompt). The dialog contains the message '此操作将删除该标签, 是否继续?' (This operation will delete the tag, continue?). There are two buttons: '取消' (Cancel) and '确定' (Confirm). The background shows several tags listed: Weather, Business, and Education.

6.4.2 Post

Add post

The screenshot shows a 'Add post' page for creating a new topic. The form includes fields for '标题' (Title: Electric vehicle), '标签' (Tags: Technology), '排序' (Sort Order: 10), '允许评论' (Allow Comments: checked), '精华' (Highlight: checked), '状态' (Status: 已发布 - Published), and '内容' (Content: An electric vehicle (EV) is an automotive vehicle that uses one or more electric motors for propulsion. It can be powered by a collector system, with electricity from autonomously by a battery (sometimes charged by solar panels, or by converting fuel to electricity using fuel cells or a generator)).

View post

The screenshot shows a 'View post' page for the topic 'Electric vehicle'. The post details include the title 'Electric vehicle', author 'admin', date '2022-03-31 14:58:21', views '0', and comments '0'. The content area displays the same text as the 'Add post' screen: An electric vehicle (EV) is an automotive vehicle that uses one or more electric motors for propulsion. It can be powered by a collector system, with electricity from autonomously by a battery (sometimes charged by solar panels, or by converting fuel to electricity using fuel cells or a generator).

Delete post

The screenshot shows the 'Content Management' section of the admin panel. A modal dialog box is centered, asking '此操作将删除该话题。是否继续?' (This operation will delete the topic. Continue?). The background table lists topics, one of which is 'Electric vehicle' with a red border around it. The table columns include '话题标题' (Topic Title), '标签名称' (Label Name), '状态' (Status), '允许评论' (Allow Comments), '会员/员工' (Member/Employee), and '发布时间' (Release Time). The 'Electric vehicle' topic has a status of '已发布' (Published) and was posted by 'admin' on '2022-03-31 14:58:21'.

Search post

The screenshot shows the 'Content Management' section with a search bar containing 'Health'. The search results table lists topics like 'Sleep Health' and 'What are the health benefits of exercise?'. The table columns are identical to the delete post screenshot. The 'Sleep Health' topic was posted by 'admin' on '2022-03-31 14:48:27'.

Publish post

The screenshot shows the 'Content Management' section with a post titled 'Weather Post'. The post content is 'Overnight into Thursday the weather is changing with a mix of clear and cloudy skies and a chance of showers. However, on Thursday morning it should clear up completely. For the afternoon a few clouds are The sky remains sunny to mostly sunny.' The post was made by 'admin' on '2022-03-31 14:46:42' with '0次阅读' (0 reads) and '0个评论' (0 comments). The IP address is '127.0.0.1 0 内'. On the right, there are buttons for '审核' (Review), '点赞用户' (Like User), '收藏用户' (Favorit User), and '解绑隐藏内容用户' (Unbind Hidden Content User).

6.5.2 Question

Add question

The screenshot shows the 'Add question' page of a web application. The URL is localhost:8080/bbs-5.6/admin/control/question/manage/add?visible=true&page=1. The page has a header with tabs: 内容管理 (Content Management), 会员管理 (Member Management), 页面管理 (Page Management), 运营管理 (Operation Management), and 系统设置 (System Settings). On the left, there is a sidebar with sections: 话题管理 (Topic Management), 问答管理 (Question Answer Management), 标签列表 (Tag List), 全部待审核问题 (All Pending Review Questions), 全部待审核答案 (All Pending Review Answers), 全部待审核回复 (All Pending Review Replies), 问题搜索 (Question Search), and 友情链接管理 (Friend Link Management). The main content area has a '返回' (Back) button. It contains fields for '标题' (Title) with the value 'What is the history of united states?', '标签' (Tags) with the value 'History', '排序' (Sort Order) set to 0, and a switch for '允许回答' (Allow Answer). Below these are sections for '状态' (Status) with '已发布' (Published) selected, and '留言列表' (Comment List). The '内容' (Content) section contains rich text editor tools and the following text:

The United States emerged from the Thirteen British Colonies established along the East Coast.
Disputes with Great Britain over taxation and political representation led to the American Revolutionary War (1775–1783), which established the nation's independence.
What happens after that?

View question

The screenshot shows the 'View question' page of the same application. The URL is localhost:8080/bbs-5.6/admin/control/question/manage/view?visible=&questionId=8&questionView_beforeUrl=eyJwYXR0IjoiL2FkbWluL2NvbnRyL2wvXVlc3Rpz24vbGldCisInF1ZXJ5Ijp7X0. The interface is identical to the 'Add question' page, with the same header and sidebar. The main content shows a question titled 'What is the history of united states?' by 'admin' posted on 2022-03-31 15:32:38. It has 0 reads and 0 answers. The content is the same as in the 'Add question' screenshot. A comment is visible below the question.

Delete question

The screenshot shows a confirmation dialog box titled '提示' (Prompt) with the message '此操作将删除该问题, 是否继续?' (This operation will delete the question, continue?). There are '取消' (Cancel) and '确定' (Confirm) buttons. In the background, the 'Delete question' page is visible. It lists questions and allows bulk deletion. One question, 'What is the history of united states?', is selected and highlighted with a red border. Its delete button is also highlighted with a red border. Other questions listed are 'What is the rainbow bridge?' and 'Which is best university in world'.

Search question

The screenshot shows the 'Search question' page. The URL is localhost:8080/bbs-5.6/admin/control/question/search?dataSource=1&keyword=company&tagId=8&>tagName=&account=1&start_postTime=&end_postTime=&page=1&time=1648755265731. The interface includes a sidebar with sections: 话题管理, 问答管理, 标签列表, 全部待审核问题, 全部待审核答案, 全部待审核回复, and 问题搜索. The main search area has a '全文索引' (Full-text Index) dropdown set to '数据库' (Database) with 'company' selected, and a '搜索' (Search) button. Below this, a table lists search results for 'company'. One result is highlighted with a red border: 'What is the best job company?' by 'admin' posted on 2022-03-31 15:18:20. The status is '已发布' (Published).

Publish question

The screenshot shows a web-based administration interface for managing questions. The top navigation bar includes links for Content Management, Member Management, Page Management, Operation Management, and System Settings. The left sidebar has sections for Question Management (Questions List, Tag List, Label List, Pending Review, Pending Approval, Pending Response), Message Management (Message List), and Help Management (Help List). The main content area displays a question titled "Which is best university in world" by "School". It includes a user icon, creation date (2022-03-31 15:22:25), reading count (0), answer count (0), and a link to view 1,300 universities. A red box highlights a "Review" button.

6.6 Page management

6.6.1 Help category

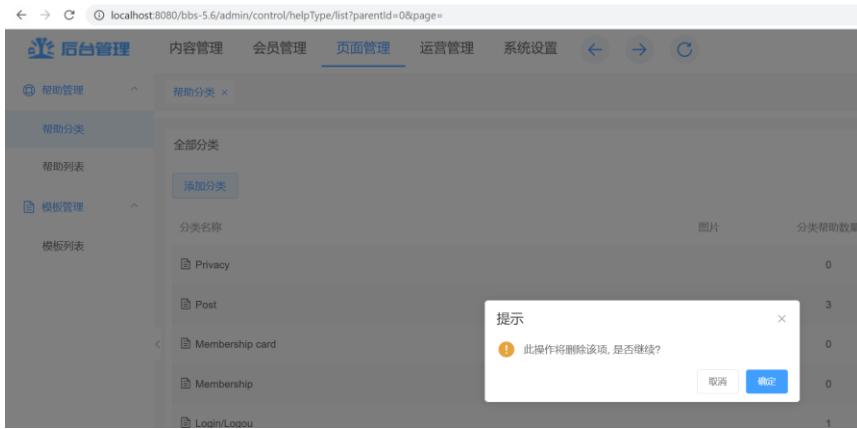

Add category

The screenshot shows the "Add category" page under the Help Management section. The top navigation bar includes links for Content Management, Member Management, Page Management, Operation Management, and System Settings. The left sidebar has sections for Help Management (Help Categories, Help Lists) and Template Management (Template Lists). The main content area shows a form with fields for "Category Name" (Privacy) and "Order" (0). A red box highlights the "Order" field. Below the form is a placeholder for a thumbnail image with a plus sign.

Update category

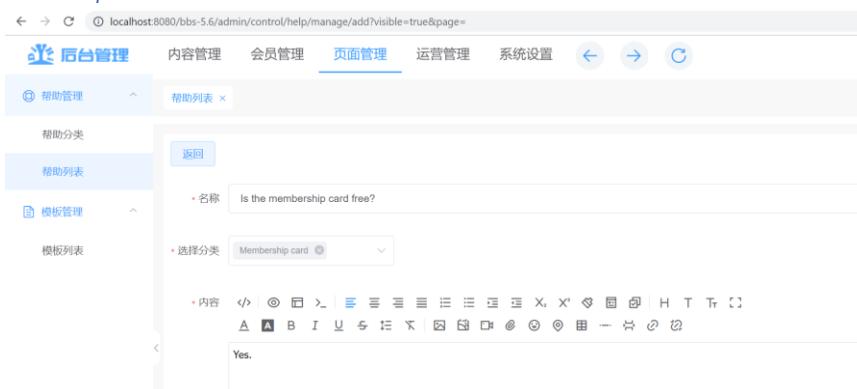

The screenshot shows the "Update category" page under the Help Management section. The top navigation bar includes links for Content Management, Member Management, Page Management, Operation Management, and System Settings. The left sidebar has sections for Help Management (Help Categories, Help Lists) and Template Management (Template Lists). The main content area shows a form with fields for "Category Name" (Privacy) and "Order" (8). A red box highlights the "Order" field. Below the form is a placeholder for a thumbnail image with a plus sign. At the bottom, there is a text input field with placeholder text "请输入内容".

6.7 Forum site

View post list

The screenshot shows a forum website with a blue header bar containing the logo '巡云轻论坛' and navigation links for '首页' (Home), '问答' (Questions & Answers), '会员卡' (Member Card), '帮助中心' (Help Center), '搜索' (Search), '注册' (Register), and '登录' (Login). Below the header, there is a search bar and a breadcrumb navigation bar with categories: 全部 (All), Weather, Business, Health, Entertainment, History, Technology, Education, and History. The main content area displays a list of posts. The first post is by user 'a' under the 'Health' category, titled 'What are the health benefits of exercise?'. It has 0 likes and 0 comments. The second post is by user 'a' under the 'History' category, titled 'History of the United States'. The third post is by user 'a' under the 'Health' category, titled 'Sleep Health'. The fourth post is by user 'a' under the 'History' category, titled 'A Brief History Of Electricity'. At the bottom of the page, there is a pagination bar showing '共4条' (4 items) and '1 / 1页' (Page 1 of 1).

View the post

The screenshot shows a detailed view of a forum post. The post is titled 'Sleep Health' and is categorized under 'Health'. It was posted on 2022-03-31 at 14:48:27, has 1 reading, and 2 comments. The post content includes a 'Goal' section stating: 'Increase public knowledge of how adequate sleep and treatment of sleep disorders improve health, productivity, wellness, quality of life, and safety on roads and in the workplace.' and an 'Overview' section stating: 'Poor sleep health is a common problem with 25 percent of U.S. adults reporting insufficient sleep or rest at least 15 out of every 30 days. The public health burden of chronic sleep loss and sleep disorders, coupled with low awareness of poor sleep health among the general population, health care professionals, and policymakers, necessitates a well-coordinated strategy to improve sleep-related health.' Below the post, there are two comment sections. The first comment is from user 'George' posted on 2022-03-31 at 15:38:28, saying 'Very nice post.' The second comment is also from user 'George' posted on 2022-03-31 at 14:49:29. At the bottom of the post, there are buttons for '收藏' (Collection) with 0 counts and '赞' (Like) with 0 counts.

What is the longest river in the world?

2022-03-31 15:20:21 1次阅读 1个回答

The longest river in the world, measured from its mouth to its most distant, year-round source, is likely the Amazon, which flows 4,345 miles from the Peruvian Andes through Brazil to the Atlantic Ocean. However, much depends on how you measure it.

7.1 Account

7.1.1 Register

The screenshot shows the homepage of The Heat Clinic website. At the top right, there is a navigation bar with links for HOME, HOT SAUCES, MERCHANDISE, and CLEARANCE. Below the navigation bar is a search bar with a magnifying glass icon. The main content area features two forms: a "Login" form on the left and a "Register" form on the right. A vertical line separates the two forms, with the word "or" centered between them. The "Login" form includes fields for Email and Password, a "Remember me" checkbox, and links for "Forgot Password" and "LOGIN". The "Register" form includes fields for Email, First Name, Last Name, Password, and Confirm Password. A red arrow points from the "REGISTER" button to the right side of the page.

7.1.3 Login

The screenshot shows the login page for "The HEAT CLINIC". At the top right, there are links for "LOGIN" and a small American flag icon. Below the header, there's a search bar with a magnifying glass icon and a navigation menu with links for "HOME", "HOT SAUCES", "MERCHANDISE", and "CLEARANCE".

Login Form: This form is on the left. It has fields for "Email" (with placeholder "George@gmail.com") and "Password" (with placeholder "*****"). There's also a "Remember me" checkbox and a "Forgot Password" link. A red arrow points from the "Forgot Password" link to the "LOGIN" button, which is highlighted with a red border.

Register Form: This form is on the right. It has fields for "Email", "First Name", "Last Name", "Password", and "Confirm Password". A "REGISTER" button is located at the bottom right of this form.

Text: Between the two forms, there is a vertical line with the word "or" written in the center.

7.2 Profile

7.2.1 Update Account Information

The screenshot shows the account update page for "The HEAT CLINIC". At the top right, there's a user profile icon with the name "GEORGE" and a small American flag icon. Below the header, there's a search bar with a magnifying glass icon and a navigation menu with links for "HOME", "HOT SAUCES", "MERCHANDISE", and "CLEARANCE".

Account Options Sidebar: On the left, there's a sidebar titled "Account Options" with a red "ACCOUNT INFO" button. Other options listed include "CHANGE PASSWORD", "VIEW ORDERS", "MANAGE WISHLIST", "MANAGE ADDRESSES", and "MANAGE PAYMENTS".

Update Account Information Form: This form is on the right. It has fields for "Email Address" (placeholder "George@gmail.com"), "First Name" (placeholder "George"), and "Last Name" (placeholder "Davis"). A red box highlights the "Last Name" field. A red arrow points from the "Last Name" field to the "SUBMIT" button, which is highlighted with a red border.

7.2.3 Manage address

Add address

The screenshot shows the 'Address Book' page on The Heat Clinic website. On the left, a sidebar titled 'Account Options' includes links for 'ACCOUNT INFO', 'CHANGE PASSWORD', 'VIEW ORDERS', 'MANAGE WISHLIST', 'MANAGE ADDRESSES' (which is highlighted in red), and 'MANAGE PAYMENTS'. The main content area is titled 'Address Book' and features a red-bordered input field labeled 'Add a new address'. To the right, a form for entering a new address is displayed. The fields include: 'Address Name' (set to 'Home'), 'Full Name' (set to 'Home address'), 'Address' (set to '1537 Hwy 231 South'), 'Address 2' (set to '#100'), 'City' (set to 'Ozark'), 'State' (set to 'AL'), 'Postal Code' (set to '36360'), 'Phone' (set to '51400001234'), and a checkbox for 'Default Shipping'. A red-bordered 'SAVE' button is at the bottom right.

Remove address

The screenshot shows the 'Address Book' page on The Heat Clinic website. The sidebar and layout are identical to the previous screenshot. The main content area now displays a message 'Address successfully added' above the 'Address Book' title. Below this, the 'Address Book' table shows three entries: 'Home' (the newly added address), 'Work (Default)' (an existing address located in Pelham, AL), and 'Company' (an existing address located in Latham, NY). Each entry has a 'REMOVE' link next to it. To the right of the table, the address form fields are shown again, though they are mostly empty. A red-bordered 'SAVE' button is at the bottom right.

Update address

← → C ▲ Not secure | <https://localhost:8443/account/addresses>

The screenshot shows the 'Address Book' section of the website. On the left, a sidebar titled 'Account Options' includes links for 'ACCOUNT INFO', 'CHANGE PASSWORD', 'VIEW ORDERS', 'MANAGE WISHLIST', 'MANAGE ADDRESSES' (which is highlighted in red), and 'MANAGE PAYMENTS'. The main content area is titled 'Address Book' and contains a form for adding a new address. It lists two existing addresses: 'Home' and 'Work'. The 'Home' address is detailed as: Home address 1537 Hwy 231 South #100 Ozark, AL 36360 51400001234. The 'Work' address is: Work (Default) Work address 1300 Gilmer Ave #56 Pelham, AL 35124 51400001233. To the right of the addresses, there are fields for 'Address Name' (set to 'Home'), 'Full Name', 'Home address', 'Address 2' (set to '#100'), 'City' (set to 'Ozark'), 'State' (set to 'AL'), 'Postal Code' (set to '36360'), and 'Phone' (set to '51400009999'). A checkbox for 'Default Shipping' is present, and a red arrow points to the 'SAVE' button at the bottom right.

7.3.1 Add payment

← → C ▲ Not secure | <https://localhost:8443/account/payments>

The screenshot shows the 'Manage Payment Methods' page. On the left, a sidebar titled 'Account Options' includes links for 'ACCOUNT INFO', 'CHANGE PASSWORD', 'VIEW ORDERS', 'MANAGE WISHLIST', 'MANAGE ADDRESSES', and 'MANAGE PAYMENTS' (which is highlighted in red). The main content area is titled 'Manage Payment Methods' and displays a message: 'You have no saved payment methods.' Below this, there are sections for 'Billing Information' and 'Payment Information'. The 'Billing Information' section contains a box for 'Home address' with the same details as the 'Home' address listed in the previous screenshot. The 'Payment Information' section includes logos for American Express, MasterCard, VISA, and Discover. It has fields for 'Payment Name' (set to 'home visa'), 'Card Number' (set to '4111111111111111'), 'CVV' (set to '123'), and 'Exp. Date' (set to '01/99'). A checkbox for 'Default Method' is checked, and a red arrow points to the 'SAVE' button at the bottom right.

← → ⌂ Not secure | https://localhost:8443/merchandise/hawt_like_a_habanero_mens ⌂ ☆

The screenshot shows a product page for a men's t-shirt. The main image is a red t-shirt with a graphic that says "HAWT Like a Habanero!". To the left is a sidebar with three smaller thumbnail images of the same t-shirt in different colors: black, white, and red. At the top right is a logo for "The HEAT CLINIC" featuring a cartoon chili pepper. The navigation bar includes links for HOME, HOT SAUCES, MERCHANDISE, and CLEARANCE. Below the product image, there is a price of \$14.99, a size dropdown set to 'S', a field for 'Personalized Name' with a placeholder 'George', and a red 'ADD TO CART' button. A red arrow points from the 'ADD TO CART' button towards a heart icon at the bottom right.

7.7.2 View wishlist

← → ⌂ Not secure | <https://localhost:8443/account/wishlist> ⌂ ☆

The screenshot shows the user's wishlist page. On the left, there is a sidebar with 'Account Options' including 'ACCOUNT INFO', 'CHANGE PASSWORD', 'VIEW ORDERS', and a red 'MANAGE WISHLIST' button. Below that are 'MANAGE ADDRESSES' and 'MANAGE PAYMENTS'. The main area is titled 'Your Wishlist' and lists two items: 'HOPPIN' HOT SAUCE' and 'HAWT LIKE A HABANERO SHIRT (MEN'S)'. Each item has a small image, a quantity selector (set to 1 for sauce, 2 for shirt), a price (\$4.99 for sauce, \$29.98 for shirt), and 'ADD TO CART', 'EDIT', and 'REMOVE' buttons. At the bottom right is a red 'MOVE WISHLIST TO CART' button.
